

From Flagstaff: Follow I-17 (South) to Bethany Home Rd, left on Bethany Home 25 blocks to Central Ave, right on Central nearly one mile to Pasadena, look for the red DQ sign on the right, right on Pasadena (Dairy Queen on the corner) to 15 West Pasadena directly behind the DQ. (Pasadena is the last street before Camelback Rd where the tall M&I Bank building stands.)

From LA: Follow I-10 East to the interchange with I-17, follow I-17 North (Flagstaff) to Camelback Rd, turn right on Camelback 25 blocks to Central Ave, left on Central one short block to Pasadena (look for the red DQ sign on the left), turn left at the Dairy Queen to 15 West Pasadena directly behind it. (You will pass along part of our new Light Rail system.)

From Tucson: Follow I-10 West (left lanes) to the Piestewa (formerly Squaw Peak) Parkway (SR 51) Business Route past the airport, continue instructions below from "SR 51 entrance." (Be aware that on the south side of the airport the right lanes of I-10 split off and turn into I-17 North to Flagstaff and you do not want to take the I-17 route.)

From Sky Harbor International Airport Rental Car Facility: Exit the facility on Sky Harbor Circle following the signs to the SR51 freeway. Both North and South Circles lead directly to 24th Street as does taking a right on to Buckeye Road. Turn left on to 24th Street 1/2 mile to Washington St, then left 3 blocks on Washington to the "I-10 West to LA and SR 51" entrance to the right, stay in the right lanes to exit immediately and follow the SR 51 to the Highland/Camelback Rd exit, left on Highland and get into the right lane to go 1 long block to 16th St, right on 16th and get into the left lane to go 1 long block to Camelback Rd, left on to Camelback 16 blocks to Central Ave, right on Central and get into the left lane to go only one short block to Pasadena Ave, look for the red DQ sign on the left, then turn left at the Dairy Queen to 15 West Pasadena directly behind it.

Using the Light Rail from the airport (\$1.25) and getting a rental car offsite (see the travel tip on the "Reservations page"): Take the free Light Rail shuttle (runs every 6 min) from your arrival terminal to the 44th St./Washington station and take the westbound train (runs every 10 min) to stop #4 at Central and Camelback (40 min ride.) Look north across Camelback...the 45 palm trees you see are the B&B. Walk north up Central Avenue one short block and go left at Pasadena (at the DQ sign) to 15 West Pasadena directly behind the Dairy Queen.
